3000 W Power, 110 g/min continuous steam, 260 g Turbo steam boost, No burns guaranteed

DST8070/80

Highlights

No burns guaranteed

One optimal setting for all ironable fabrics. For no burns, guaranteed. Thanks to OptimalTEMP technology, we guarantee this iron will never cause burns to any ironable fabric and you can iron everything from jeans to silk, from linen to cashmere safely, in any order, without waiting for the temperature to adjust or pre-sorting clothes.

SteamGlide Elite soleplate

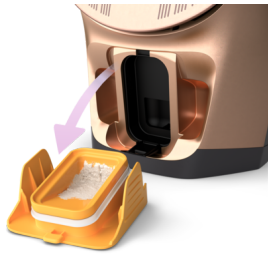

Smoothly glide over creases with the super-smooth SteamGlide Elite soleplate that is gentle on your clothes. Super-smooth SteamGlide Elite soleplate is durable, scratch-resistant and easy to keep clean.

Intelligent automatic steam

Ensure your ironing is completed fast and with minimal effort, with the new motion sensor technology that recognizes when you move the iron to release steam automatically.

Quick Calc Release

The quick calc release helps to maintain peak performance by removing calcium build-up or limescale.

Continuous steam up to 110g/min

With a continuous steam output of 110g/min, no glide over your garments is wasted so you can remove creases faster.

3000 W for fast heat up

Get started on your ironing in no time with more power for fast heat-up.

Turbo Steam up to 260g

The extra long steam boost delivers more power for removing tough creases from thicker fabrics like your favorite pair of jeans. Up to 260g of turbo steam for even more powerful ironing.

350ml Water tank

Fewer refills are required thanks to a large 350ml water tank. So you can iron more clothes in one go.

Auto shut-off

To give you peace of mind the steam iron automatically switches itself off after 8 minutes.

Specifications

Technical Specifications
