Sandberg®

Installation

① The Sandberg USB Bluetooth Dongle 5.0 will auto install without the need of a driver for basic functionality.

② Go to Windows-settings/Bluetooth and search for new devices.

Activate pairing mode on the device you want to connect.

Bluetooth & other devices

+ Add Bluetooth or other device

Bluetooth

⬤ On

For extra functions and full compliancy to all Bluetooth protocols including advanced audio protocols, we recommend to download and install the full software package here:

http://files.sandberg.world/d/134-34.zip

This software installation is required for the dongle to work in Windows 7.
